CALL TO ORDER AND ROLL CALL

CALL TO THE PUBLIC

Mr. LeHew made a call to the public. There were no members of the public present.

APPLICABILITY OF GOOD CAUSE EXCEPTIONS TO NEW PROGRAMS

Mr. LeHew explained that there were individuals who had received a good cause exception from the Board, but, when their fingerprint clearance card expired, they applied for a new card under a

new program. For instance, a person might have received a class one fingerprint clearance card from the Board. When the card expired, the person applied under the program for Child Protective Services employment, which program did not exist at the time the person previously applied for a fingerprint clearance card. Since that program was new, the Department of Public Safety (“DPS”) would deny the application for a card because the person had not been granted clearance under that program. Mr. LeHew said that the Board could indicate to DPS that the prior good cause exceptions were meant to cover any fingerprint clearance card programs, even ones that were established subsequent to the good cause exception approval.

Ms. Pipersburgh made a motion that the Board’s good cause exception approvals be applied to new programs that are established subsequent to the approvals, provided that the applicant has not committed nor is awaiting trial on any new offenses listed in A.R.S. § 41–1758.03(B) or (C). Mr. Baker seconded. The motion passed, 5-0.

ADJOURNMENT

Ms. Pipersburgh made a motion to adjourn the meeting, and Mr. Vasicek seconded. The motion passed, 5-0. Mr. LeHew adjourned the meeting at 9:11 a.m.
